

# Table Continuity Test — Complex Edition

This document intentionally creates complex, multi-page tables to test continuity across page breaks. It includes multi-level headers (repeatRows=2), merged cells, group subtotals, and nested subtables.

Section	Description
2019	History & Changes with quarterly groups, spans, subtotals, nested subtables.
2020	History & Changes with quarterly groups, spans, subtotals, nested subtables.
2021	History & Changes with quarterly groups, spans, subtotals, nested subtables.
2022	History & Changes with quarterly groups, spans, subtotals, nested subtables.
2023	History & Changes with quarterly groups, spans, subtotals, nested subtables.
2024	History & Changes with quarterly groups, spans, subtotals, nested subtables.
2025	History & Changes with quarterly groups, spans, subtotals, nested subtables.
2026	History & Changes with quarterly groups, spans, subtotals, nested subtables.

Note: Tables purposely overflow pages; headers repeat, and some cells span multiple rows.

## Section 2019 — History & Changes (complex, continues across pages)

Multi-level headers with group spans, quarterly group blocks, subtotals, nested subtables, and occasional row spans.
